Chapter 1: Ceres

Ceres in Capricorn:

You feel nurtured and cared for when you feel safe and secure, when there is structure, and your provided for. This is how you were taken care of by your parents, they were strong providers, giving you shelter and food on the table. This is now how you nurture by providing, and making those you care about feel safe, secure and provided for. Many with this placement may make a career out of the Ceres talents; cooking, care taking, nursing.

Ceres in 4th house:

Being a parent and caretaker is highly important to you. There is a strong love of family and family life being very close together. There was a strong bond between mother and you as a child. Your home life was very comforting, and nurturing. It may be hard for you to leave the nest when it is time.

Ceres Conject Juno:

You have or will have a good relationship with your spouse as far as caretaking, and nurturing go. He or she will be a great caretaker with you, and you will also be a great nurturer for him/her. This can relate to a career or life path as a house wife or stay at home dad, or as a caretaker.

Ceres Square Chiron:

There may be health issues with food, wheat, gluten, etc. Grief can also be an issue that needs to be resolved in your life. You are a natural caretaker, the challenge around this may be a large challenge for you but it is one you must conquer.

Chapter 2: Pallas

Pallas in Capricorn:

Seeing how to manage the organization, situation or structure is a strong ability you possess. Pallas in Capricorn gives you executive ability in management, and in the process of your own life. Using creative visualization you will manifest your desires, and visions very quickly as Capricorn is an Earth element sign, in the Cardinal family. This means you are great at seeing things through to fruition, and you have the discipline needed to get it there. Trust your intuition in business and you won't go wrong. You would be good in the business, stock-market, and financial arenas.

Pallas in 4th house:

You may analyze your family and the family dynamics with Pallas here. This may be due to trying to "measure up" to one of your parents. Your home will have lots of crafty items as Pallas rules over crafts. This placement is great for realtors, and multi-housing owners or developers. This is one of the intuitive houses so your intuition can be high with this placement, and psychic phenomena may run in the family.

Pallas Conjunct Mercury:

You are a very intellectual thinker and strategist, always one step ahead of the game, with alternate plans of escape or rerouting. You have a political way of communicating in which you always seem to say the appropriate thing. Politically correct is ok as long as it doesn't take over and become people pleasing for the sake of argument, express your true thoughts. You may have interest in politics, strategic planning, architecture, mathematics, and the arts and crafts.

Pallas Trine Mars:

This placement is excellent for many specialized skills and training. Military is favored with this placement, and would be a great environment for the best use of this energy. Utilizing your perceptive and strategic skills with your physical endurance makes a great military person. Personal trainer, or life coach, dietary coaching, career planning specialist are all good uses of this energy. A surgeon would benefit with this placement.

Pallas Opposition Saturn:

You have had to learn through many disappointing career moves and transfers, the key is that you understand and learn what it wrong. How did you learn to correct the mistakes of the past. Some of these situations may seem like you had no choice and you may not have had a role in choosing these are life lessons from karma bearer Saturn. Learn discipline and focus and don't give up on your great visionary sense of the future, you will eventually manifest the success you have been seeking since childhood. You may have had an absence of parental training and discipline while you were growing up.

Pallas Square Asc.:

You may not be the most politically correct person, but you do see the big picture, it is just that you need to work on the delivery of your keen ideas and intellect. Most are way behind you in thought process and this can frustrate you into acting or saying things others find astonishing. You may have issues with your planning and strategies that seem to not go right. This can be due to others or yourself getting in the way. Don't get distracted by others, you have to not allow it. Proper planning prevents poor performance.

Pallas Opposition MC:

You may have some real issues with authority and this started with your Father figure in childhood. It seems you were always trying to please him or win his approval in some way. This carried over into adulthood and thus is showing as your boss. You have a great deal of skills you just need the self-confidence to go forward without their approval. So look within in yourself and look forward to self-starting your career in your own unique way. He will come around eventually and approve.

Chapter 3: Juno

Juno in Capricorn:

Your partnership needs depend on structure, and security. This may be the reason you marry. Your partner will be ambitious, a bit older, and very career minded. He or she will be climbing the ladder of success which is another item you look for in long term committed relationships. There is a sense of formality and tradition you

seek in your relationship.

Juno in 4th house:

You love your home life with your other half. You focus your relationship via your home life, and everything centers around family and domestic situations. Entertainment is often at your residence with your significant other being the host.

Juno Conjunct Sun:

You are a very committed person in your personal relationships, and especially regarding marriage or committed relationships. You have strong beliefs about loyalty and are a devout and loyal person. You are dedicated to your family and the one you hold dear to your heart will always have a strong hold on you. You desire to be in a relationship with a person of strong power, and a huge personality and ego. You may identify yourself through your partnerships which can lead to co-dependency if you don't keep your own boundaries clear. You like being in charge of things, you will be a ruler or co-ruler on some level. Your marriage will be a happy one, unless other factors show differently.

Juno Square Moon:

There may be emotional conflict between you and your other half, in marriage. Be sure to express what you need emotionally for yourself and ask directly what their needs are as well. There can be jealousy and if your ideas on commitment differ this could be very troublesome. Make sure you marry someone who has the same ideals in marriage and commitment as you do. You may resist marriage altogether with a fear of commitment being the root cause. Your Mother and your spouse may have a difficult time relating to one another.

Juno Square Chiron:

There may be issues and concerns about commitment in your relationships. Did your parents have these issues? Do you have trust issues regarding fidelity? The challenge is to learn to trust again, in order to have a great working relationship in your marriage.

Chapter 4: Vesta

Vesta in Libra:

You are very dedicated and devoted to partnerships. You have high regard for your partner. Co-dependency may be an issue with this placement. Be sure not to forsake your own identity and purpose by giving all to your partner. You like being with your other half and may work with him or her. Keeping harmony is a spiritual calling you hear and respond to. Sexually you can be very accommodating achieving balance and harmony between both of you. There may be role reversal.

Vesta in 1st house:

You're a very loyal, dutiful, and focused individual. You tend to be very serious and hard working toward anything you feel devoted to. Commitment is a strong word you live by. Perfection can be the goal with Vesta here.

Vesta Square Sun:

There are many challenges that come up in regards to your career and what your parent's wishes for you may have been. This can cause you to be at odds with yourself over what you want to do with your life. Are you really committed? Do you want to dedicate that much to your cause or purpose? You can achieve all you desire, it will just be a little harder than for most until you do commit and focus your energies then you will be unstoppable. You may have two different ideals that you want to commit to but can only do one.

Vesta Opposition Moon:

Relationships that require focus, and commitment may be hard for you, unless you feel like they are worthy of your dedication and commitment. You may not have had relationships early on that taught you the value and meaning of caring, and devoting yourself to another. This can make it difficult for you to connect with others on an emotional level. There may be a fear of getting too close, or intimate. You could have even been taught it was "bad" to get too close.

Vesta Square Mercury:

There can be problems with focus and concentration in getting tasks completed, or with your memory. Communication can also be an issue, with words not being articulated, and thoughts being unfocused and confusing to the other person. Be sure to be clear in what you say, and ask if they understand.

Vesta Trine Venus:

One result of this aspect is that your investments will pay off and bring you money. This is what you are invested in, will bring you what you value, money, love, abundance. This is a very good aspect for love life, falling in love with the person who is dedicated to you. It can also be a monetary good thing as you made a wise choice in your investment.

Vesta Trine Jupiter:

You are a very devout person to whatever cause or belief system you have. It is highly important to you to believe in a higher power. You have a great positive outlook on life that is very sincere as you truly do resonate with your beliefs. You have a great mind that loves to learn and expand, encouraging you to want to learn more and more about your philosophy of life. You may travel for religious purposes, like to a foreign country to learn about their ways and rituals.

Vesta Sextile Neptune:

You possess a very creative imagination and have the devotion and focus needed to develop and perfect your skills in the arts and or music. Spirituality is a high focus for you, as you easily can see the bigger picture spiritually and instinctively know the path you should take.

Vesta Conjunct Pluto:

You are a very powerful individual and have great dedication and devotion to your spiritual pursuits and causes. You can affect the masses of people with your cause, and create long lasting change for the good with this aspect. Research, science, inventing things or ideas is likely to be a strong interest in you. Investments and the stock market would also serve you well.

Chapter 5: Chiron

Chiron in Aries:

Your quest is to be the hero or heroine in your own life according to your own ideals of what a hero is. You have to establish your own rules in life being brave enough to go against the social norms and be the pioneer and maverick, you've got to be you. Getting over shyness, and being overly cordial without regard for yourself is the lesson you must master.

Chiron in 7th house:

Healing is done through and because of your relationships. This is mirroring your shadow side of yourself that needs to be looked at. As you project your healing or needs on others they manifest as relationships that need fixing. Once you have transformed this and healed yourself your partnerships will be miraculously better. You may marry a healer, Dr. or shaman, or someone who has Chiron real prominent in their chart.

Chiron Conjunct Moon:

You have a hard time emoting and expressing your inner feelings, as this was not expressed in childhood. Your Mother may have not expressed her emotions or was unavailable physically or emotionally. As a result you may be empathic as you are very sensitive to what others are thinking or feeling about you. Once you open up your emotions and become vulnerable to others the positive traits will become prevalent. You make a great counselor, mentor, and teacher for those in need of healing their emotions, and early childhood experiences. Caretaking in many forms is good for you, and those you assist.

Chiron Sextile Jupiter:

This aspect gives you an excellent ability to mentor, teach, coach and train. Higher learning from a master, one who has done the research, and walked the walk is now going to be able to talk the talk and spread the word, this person is you. You love learning and just as much, sharing this knowledge and teaching.

Chiron Square Juno:

You attract relationships that trigger deep healing that is needed within you, your partner or both. Sometimes this means your other half has major healing issues either psychological or physical. There can be challenge with these issues but it is also what makes you each stronger together and heal inwardly.
