Technical Details of how the planetary patterns are determined: Each interpretation is based on a 3-planet pattern. The 3 planets are forming a midpoint structure where a planet forms one of the following aspects to the midpoint of 2 other planets: conjunct or opposition with 2 degree orb, square with 1 1/2 degree orb, semisquare or sesquiquadrate with a 1 degree orb, or 1/16, 3/16, 5/16, or 7/16 with a 30 minute orb. Also, the 3 planets are aspected to each other in the same harmonic. The harmonics analyzed are 1 through 64 and any doubling of these numbers, such as 120 which is a double of 60, up to 180. The total number of harmonics analyzed is 108. In the harmonic chart all 3 aspects are within a 12 degree orb. Also, any midpoint structure involving a conjunction or opposition aspect within a 1 1/2 degree orb, even if a harmonic triangle is not involved, is interpreted.

Given below is a brief interpretation of your birth chart. The major themes in your life are described. The themes are presented approximately in the order in which they are a priority in your life. In other words, the themes which are most important are, in general, described near the beginning of the report, and the less important themes are described towards the end of the report.

Each astrological influence described in this report is a resource available to you. It is up to you to express these energy patterns in the best possible way. It is possible to repress, block, or try to avoid issues, or to fight yourself; hopefully this report will help clarify issues in your life, and encourage you to master your life rather than be a victim of circumstances.

Sun-Venus-Saturn 12th Harmonic (12=3x4)

You are serious and loyal in love relationships. You are not inclined to date a lot of different people; you seek a meaningful and deep relationship. You dislike ostentatiousness, pretentiousness, and glamour.

Mars-Jupiter-Pluto 16th Harmonic

You have big plans and the dynamic energy to manifest them. Sometimes you are almost obsessed with your big plans, and although family members and friends may tire of hearing about your plans, the single-minded focus on your goals is needed to achieve your goals. Be sure to research carefully before investing time, energy, and resources on a venture.

Saturn Conjunct Mars/Neptune 0 deg 47 min

In the long run, you will find that a career that emphasizes sales and marketing rather than real service will depress, frustrate, and exhaust you. Deep within yourself you are seeking greater meaningfulness in your work. You are able to sacrifice for a worthy cause and you are able to work long hours with little recognition if you feel that the service you provide is really meaningful.

Jupiter Opposition Sun/Neptune 0 deg 52 min

You like to look at the big picture. You are philosophical, and some people think you are too abstract and too distant from the down-to-earth details of daily living. You succeed in areas where your future-oriented, broad views can bring tangible benefits.

Jupiter Opposition Venus/Neptune 0 deg 48 min

Your artistic tastes, preferences in clothing and food, are rich, exotic, or unusual in some way. You like things that are foreign and you may even marry someone from another country. You can be generous without being discriminating, which can result in wastefulness, and you should be careful when investing or taking risks to make sure you have thoroughly analyzed the situation before committing yourself to it.

Mars Conjunct Moon/Saturn 1 deg 47 min

Very often you are a serious no-nonsense person who focuses on the really important issues and the work that needs to be done. You are responsible and willing to perform tedious tasks in order to ensure that a job is done correctly.

Mars Conjunct Mercury/Pluto 1 deg 55 min

Sometimes you become impatient and even belligerent with others if you feel that their ideas are poorly constructed or based on erroneous assumptions. You are shrewd and insightful but sometimes you are not as open to other points of view as you think you are.

Sun Opposition Uranus/Pluto 1 deg 46 min

You are a free-spirit and an independent person. You are on a mission to do things in a new, creative way. Before you tear down old walls, make sure that the new wall you plan to build is really a better one. If you think things through carefully, you truly can break new ground, open new doors, invent and create something unique.

Venus Opposition Uranus/Pluto 1 deg 37 min

Your romantic and sexual energy is very strong. At times a relationship may survive based on sexual attraction, while mutual understanding, kindness, and love are not as easy to find. If this happens, it is best to not make long-term commitments until a more complete and satisfying relationship is clearly possible.
