Chapter 1

A Comparison of Temperaments and Life Styles that Affect Your Ability to Harmonize with Each Other

Brad's Sun in Sagittarius and Angelina's Sun in Gemini:

Both of you are curious individuals, rather restless and on-the-go. You can expect your lives together to be very active, with lots of changes, probably frequent moves, adjustments, surprises, and new challenges. These changes will bring lots of ups and downs, but overall both of you will be greatly enriched by these diverse activities and interests.

Brad is more philosophical and has grander plans than Angelina, who takes each step as it comes and find more pleasure in the little things in life. Brad enjoys being on a crusade or mission for some philosophical reason or for personal gain, while Angelina finds Brad's dreams and schemes entertaining and interesting. You often see things from a different perspective, but usually you can benefit from each other's viewpoint and you are adaptable and flexible enough to listen to each other and benefit from each other.

Personal freedom is important to both of you and you are likely to find it in this relationship. Even if you are always together you do not cling to, or smother, each other. On the whole you are very compatible.

Brad's Moon in Capricorn and Angelina's Moon in Aries:

Your instinctive emotional responses, habitual feelings, emotional tone, and ways of coping with challenges are very different. Angelina's initial response is often anger or indignation. Angelina takes a positive, enthusiastic stance and wants to "do battle" with challenges. Brad tends to withdraw in order to formulate a strategy for dealing with the problem. Brad downplays the feelings and emotions evoked by the situation, focusing instead on "what needs to be done" - the concrete aspects of the situation.

Angelina is spontaneous and direct in expressing desires and feelings; Brad is careful and controlled, often quite subdued. Angelina tends to be a bit self-centered, and expects personal rewards, whereas Brad often feels undeserving of pleasure, comfort or the fulfillment of desires. Brad instinctively feels that hard work will be necessary to achieve anything (emotional satisfaction or personal ambitions). Angelina instinctively believes "I can". Brad is a doubter, and this can be a problem between you. Positively, Brad can help Angelina gain some emotional distance and detachment from irritating situations, because Angelina tends to take everything personally and Brad does not.

Both of you are also rather emotionally self-sufficient and enjoy times to yourself.

Chapter 2

Major Themes in the Relationship: What Brought You Together

Brad's Asc. Conjunct Angelina's Neptune:

The two of you have a very strong psychic or telepathic link, and there is a great deal of sensitivity, empathy, and understanding between you. Idealism and devotion are important elements in your relationship and both of you may gladly give or sacrifice much for one another.

Angelina encourages Brad to be receptive and somewhat passive. Brad is easily swayed by Angelina's emotions and moods, and this may be confusing or overwhelming, especially if Brad doesn't have a solid sense of self. Angelina, on the other hand, idolizes Brad, and may have a very inaccurate picture of Brad's true nature and needs. Also, both of you may be very indirect or subtle in your communications. Strive to be straightforward and clear with one another.

Brad's Asc. Opposition Angelina's Sun:

Angelina embodies many of the characteristics that Brad is seeking in a mate or partner, and Brad finds Angelina irresistibly appealing for this reason. Angelina is also the polar opposite of Brad in many ways, so that you complement or balance one another very well. However, the very qualities that originally were so attractive may become sources of friction between you. Brad, don't expect Angelina to be like you are! One of the gifts Angelina has for you is to show you "the other side of the coin". For instance, if you are very logical and rational, your partner may have a highly intuitive or poetic mind (or vice versa). Instead of accusing your partner of being irrational or fuzzy-minded, try to appreciate that difference between you.

Brad's Mercury Opposition Angelina's Saturn:

The flow of communication between you is often restricted, and very frustrating, especially for Brad. Criticism and nit-picking can be a real problem for you. Angelina wants Brad to be very clear, very precise, and will constantly interrupt Brad if there are inconsistencies in what Brad is saying. Often you simply do not share the same interests or are just not on the same wavelength. Communication of practical, serious affairs is usually good, but any topic involving intuition or speculation is not likely to get very far. Because you communicate well only about certain topics, you both need other friends with whom you can share your other interests.

Angelina's Mars Conjunct Brad's Jupiter:

You spark each other's ambitions and enterprising spirit, and you enjoy planning and designing ventures. You are able to jointly follow through to successful completion of your goals. Brad gives Angelina confidence and encouragement to charge ahead, while Angelina stimulates Brad to act decisively to actualize Brad's dreams. You are likely to undertake several joint ventures as well as other individual efforts that are greatly assisted by your partner. Occasionally you take foolhardy risks and are overly zealous and unrealistic in your hopes, but your dynamic blending of energies can also result in outstanding accomplishments as well.

Angelina's Sun Square Brad's Pluto:

Your relationship is intense, magnetic, and complex. You are fascinated by each other and you engage in deep, intense discussions and encounters that unveil your innermost thoughts, feelings, goals, hopes, fears, and ambitions. This is not a superficial relationship! You are very uninhibited with each other, and you open up to each other more readily than to others. Be wary of power struggles, however, as Brad, in particular, may be tempted to use the magnetic attractive power over Angelina to manipulate and control Angelina. Also, either of you may feel threatened, embarrassed, or disempowered by revealing so much of yourself to the other, and consequently feel the need to be secretive and competitive with each other. You have a profound influence upon one another, for good or ill.

Brad's Asc. Trine Angelina's Moon:

There is a strong feeling of family and kinship between you. You have a natural affinity for each other and feel very at ease and comfortable with each other, so consequently your friendship is likely to be very long-lasting.

Brad's Asc. Trine Angelina's Mars:

Attraction between you is very strong. Your goals and interests harmonize very well, and you are naturally inclined to join together in shared interests, projects, goals, and work.

Brad's Mercury Square Angelina's Jupiter:

This relationship has a marked effect on the overall attitudes and beliefs of both of you, but particularly of Brad. You challenge each other's religious, political, and philosophical beliefs. You may experience differences of opinion that are difficult to reconcile. You are also inclined to take risks together and speculate, sometimes foolishly.

Brad's Mars Square Angelina's Mars:

You periodically find that you frustrate each other when attempting to work jointly on a project. The problem arises because your approach to work is very different. Very often you will find that you must work on a project separately because successful joint effort is impossible. Fighting, provoking, driving, or pushing one another can be problems for you. There is a great deal of irritation and stress between you at times. At least there is no lack of fire in your relationship!

Chapter 3 Destiny and Final Outcome of Your Relationship

Composite Moon Sextile Saturn:

Your relationship is destined to be an enduring source of security and comfort. Faithfulness, commitment, and a willingness to seriously work on whatever problems arise for you enables the two of you to weather the ups and downs of life together.

The stability of this relationship also allows you both to focus on other aspects of life. You come to count on and take one another for granted. In a lot of ways this is desirable, though it may get a little dry.

Making long-term investments together, especially in homes or property, will work out favorably.

Composite Mercury Opposition Uranus:

The two of you are likely to come up with some pretty outlandish, yet creative, innovative, and original ideas together. Jolts of insight and inspired thinking lead to new inventions, new concepts and methods. A wide-open, experimental, intellectual atmosphere prevails. You may find yourselves communicating at a lightning-quick pace, interrupting each other and finishing one another's sentences because you pick up what the other person is getting at even before they say it. You may feel more brilliant and quick-witted when you are together than you do singly, and certainly you won't be bored.

However, you may also find that you feel tense, "wired" and exhausted by all of the mental stimulation and the fast pace that the two of you have together. Part of the function of your

relationship is to wake you both up. When you want to relax and rest, though, you may need to do it separately.

Composite Venus Trine Mars:

Warm affection, romantic desire, and sexual harmony come naturally with the two of you. You'll find that expressing yourselves sexually will simply flow, and this should be a source of great fulfillment in your relationship, easing at least somewhat any of the other challenges or conflicts you may have.

This is destined to be a very creative union, and very fulfilling. In addition to the passionate element, which is quite strong, other avenues of creative self-expression flourish when the two of you work together. If either of you is artistically inclined, your relationship will enhance this. On a biological level, as well, the two of you are quite fertile.

Composite Mars Quincunx Pluto:

At times it will seem that great forces are working against you to prevent the two of you getting what you want in your life together. Events that seem tremendously unfair or random will be a challenge during different periods of your relationship. Also, beware of trying to use force inappropriately or excessively with one another or with others, for it most certainly will be destructive. Misdirected anger can be a real problem. Learning to redirect your anger and aggressiveness into constructive channels will be necessary. Misguided or misdirected passion and sexual energies need to be watched for. Hiding your true desires and intentions can play havoc with your relationship.

Composite Moon Quincunx Uranus:

Sudden, unexpected disruptions will descend upon you out of the blue from time to time, particularly if the two of you share a home and are together on a daily basis. For instance, you may be suddenly forced to move and/or make radical changes in your living space. Unplanned pregnancies or difficulties in conceiving due to fluctuating fertility cycles are a real possibility. In short, coping with uncertainty and the unexpected, especially in regard to family and home, is a theme. Everything may flow smoothly for the longest time, then all at once it all seems to "go crazy" for awhile. Learning to gracefully accept and go with domestic changes will be a "required course" in this relationship.

Composite Mars Square Neptune:

Between you there is considerable confusion and struggle over two particular issues: healthy self-assertion and sexuality. Regarding the first: when you are together one or both of you lacks directness and direction, and you may feel increasingly weaker and more dependent because you surrender your right to act on your own behalf and assert yourself forthrightly. Rather than openly and directly going for what you want, you may try to obtain your desires in an underhanded, less obvious way. Anger and aggressiveness are diluted or expressed only indirectly. Instead of open confrontation, subtle attacks on the other person's self-esteem and an erosion of that person's confidence occurs.

In the arena of sexuality, confusion and deception are also issues to be dealt with. Intentional lying and cover-ups are the worst potential, but even if that doesn't happen, it is possible that an ideal of "purity", transcendence of the "animal" nature, etc. may prevent full expression on the sexual level - or at least may generate a lot of guilt.

This is a difficult pattern that in some way arises as a result of your coming together. If other indications are positive, you may well be able to overcome the more troublesome aspects of it. A commitment to honesty will be absolutely essential.

Composite Saturn Quincunx Uranus:

As a couple, you will inevitably come up against considerable frustration, limitations, and restrictions on your freedom. Unfortunately one or both of you feels very cramped and stifled by routines established in your way of relating to one another. You may find it difficult to completely let go and/or relax with one another, regardless of whatever positives the two of you have going together. And others may be equally ill-at-ease in your presence when you are together. Not that there is open conflict, necessarily. It's more chronic and subtle than that, more of an irritable tension, and it may seem that you never quite gel or stabilize. Only if you both give each other much leeway and tolerance, and express your tensions before they become excessive, will any long-lasting harmony develop here.

Chapter 4 **Other Themes in Your Relationship**

Brad's Sun in Angelina's 5th house:

Brad encourages Angelina's creative talents, and both of you are inspired to undertake joint creative projects. If you share a similar artistic or creative interest, then you certainly will work together and inspire each other tremendously along creative lines. You really enjoy each other's company and love to play games together.

Angelina's Sun in Brad's 7th house:

Although you have opposite personalities in some ways, you complement each other well and both of you enjoy having a partner that takes care of many of the things that you prefer to avoid.

Brad's Moon in Angelina's 6th house:

Brad enjoys assisting Angelina in any way possible, and is willing to perform tasks and chores for Angelina with little complaint. Brad may, however, at times be overly concerned with Angelina's welfare, and worry unnecessarily about Angelina's well-being and health.

Angelina's Moon in Brad's 4th house:

It is highly probably that you will become involved in domestic affairs together, even if your relationship is not a close one. You enjoy living together and sharing in cooking, home maintenance, and you feel like "family" with each other.

Brad's Mercury in Angelina's 6th house:

You enjoy tackling practical chores together. Brad, in particular, provides Angelina with lots of ideas on how to maintain health, property, and efficiently run daily affairs.

Angelina's Mercury in Brad's 7th house:

Your conversations are lively. It seems that both of you can't resist a debate with each other. Although you frequently disagree with each, fortunately you enjoy the lively exchange of ideas nevertheless.

Brad's Venus in Angelina's 6th house:

Angelina sees Brad as a person who is ready and willing to help with any problems that arise. Brad is a dependable friend that Angelina can count on.

Angelina's Venus in Brad's 8th house:

Angelina stirs Brad's romantic and sexual feelings. Angelina is exciting, almost mysterious to Brad. An intense, but emotionally complex relationship can easily develop.

Brad's Mars in Angelina's 6th house:

Brad enjoys performing chores for Angelina, and also takes an interest in Angelina's work and health. Brad enjoys assisting Angelina in practical ways and the two of you are able to buckle down together and accomplish a great deal.

Angelina's Mars in Brad's 4th house:

For better or worse, Angelina gets under Brad's skin. Angelina may infuriate, excite, inspire, and sexually arouse Brad, perhaps even all of these at the same time! If you live together, Angelina will do much to maintain the home, but both of you must be careful to accommodate your partner's tastes and concerns and try not to overpower your partner, especially when domestic issues are involved.

Brad's Jupiter in Angelina's 9th house:

There is sufficient variety and expansiveness in this relationship to keep it interesting for a long time. No doubt you enjoy traveling, vacationing, socializing, and going out together, and the rich variety of experiences that you share together enriches your outlook on life and increases your appreciation of many things that you otherwise tend to be unaware of or uninvolved in.

Angelina's Jupiter in Brad's 4th house:

The warm and nurturing side of Brad is brought out in this relationship. If the two of you live together, it is likely that you will enjoy a high level of domestic harmony. You enjoy your times at home together and both of you contribute much to making a pleasant home life together.

Brad's Saturn in Angelina's 7th house:

Angelina feels that Brad is a person who will be trustworthy, stable, mature, and committed to the relationship, and there is, indeed, a high level of security and stability that can be counted on in this relationship. Both of you feel comfortable making commitments to each other so if romantic attraction is also strong, then there is an inclination towards marriage. However, over time Angelina may also find that Brad is critical of Angelina's friends and discourages Angelina from participating in many social activities. It is also likely that the two of you will discover that you have different views of what marriage is and what the commitment of marriage entails, and you may find that you have to work hard at structuring your relationship in a manner that is satisfying to both of you. For example, one of you may have more liberal views on marriage and the other be more traditional and old-fashioned.

Angelina's Saturn in Brad's 8th house:

If you are married or live together, you will find that finances and management of resources become a significant issue in your relationship. Angelina is likely to be hesitant to freely provide and give as willingly as Brad would like. One of you often wants to keep certain assets owned individually and is unwilling to share them. The problem may be more subtle also, and one of you is likely to feel at times that the other is selfish and unwilling to share, even if you cannot defend your reasons for feeling this way. You are also likely to find that attitudes towards sexuality and love-making are different, and your moods are not always in sync with each other. You may wish your mate were more sensitive, or more aggressive (or less aggressive), more romantic (or less romantic), etc. On the other hand, if both of you are able to avoid the tendency to be selfish at times and withhold feelings, you may find that you are able to overcome old habits of extravagance, poor judgment and lack of discernment in financial matters. Illusions about romance can also be replaced with more realistic views.

Brad's Uranus in Angelina's 2nd house:

Brad encourages Angelina to use more creative, unusual methods for investing, developing financial stability and security. Brad may, for example, encourage Angelina to invest in a new enterprise that presents big opportunities but is also risky.

Angelina's Uranus in Brad's 11th house:

Together you become active participants in community, social action, and progressive ideas. Angelina encourages Brad to become involved in social and political issues, and you encourage each other to look beyond your personal lives and take an interest in issues of broader scope that affect your community, country, or the world as a whole.

Brad's Neptune in Angelina's 4th house:

There is a good deal of fantasy, imagination, and playfulness in your relationship. Brad, in particular, sparks Angelina's imagination and intuition. One way this quality is likely to express itself is in the style of your home, which is likely to be decorated and arranged in a very imaginative way.

Angelina's Neptune in Brad's 12th house:

The two of you are likely to share a lot of secrets together. There is a great deal of fantasy and imagination that you share, and both of you may feel that it is inappropriate to bring this side of yourselves into the public. There is a strong spiritual or psychic bond that draws you together and there is an element of mystery to your relationship. You may share some very unusual, almost mystical, experiences together.

Brad's Pluto in Angelina's 2nd house:

If your relationship is a long-term one, you will find that situations will develop where Brad is called on to provide considerable assistance to Angelina. This assistance is of a tangible kind, perhaps financial assistance or providing tools or resources that are important to Angelina. The transaction, however, may not be smooth and many complex issues are likely to surround it. Arrangements may not always seem fair but both of you need to accept situations that cannot be altered.

Angelina's Pluto in Brad's 10th house:

If this is a long-term relationship, Angelina will have a critical effect on Brad's career and ambitions. Circumstances arise that enable Angelina to play a key role in helping steer Brad's career along new lines, and to levels of greater stature and influence. Angelina can help Brad gain a whole new outlook on career opportunities and the best way to utilize personal talents, but this process is a complex and tricky one. The final outcome could be very successful or a failure, depending on how both of you handle the situation.

Brad's Sun Opposition Angelina's Mercury:

Lively exchanges of ideas are common between the two of you. Fortunately, you understand each other well, but unfortunately you sometimes have opposite opinions and perspectives on an issue. Despite your differences, you work together very well in practical matters, planning, organizing, developing or communicating ideas, and your differing viewpoints are not likely to be a serious problem.

Angelina's Sun Square Brad's Uranus:

Your relationship is exciting, unpredictable, and stimulating. However, it tends to be explosive too, and there is the strong possibility that you will come together suddenly and unexpectedly, and will break up just as suddenly. If either of you is looking for a very stable, quiet, traditional, uneventful marriage with security, commitment, dependability, and predictability, then this is not the relationship for you! Together you will explore new possibilities and interests and break away from traditional, long-held beliefs and assumptions. Your sexual life, like other aspects of your lives, is exciting but not predictable and likely to vary from ecstatic to unsatisfying. You must be willing to be flexible and adaptable in all areas of life. Be wary, also, of letting your love for freedom and independence become a euphemism for being neglectful and inconsiderate of each other.

Angelina's Moon Conjunction Brad's Jupiter:

You both really enjoy each other's company. You put each other in a good mood and an optimistic, friendly, jovial atmosphere develops when you get together. You may have been friends for some time before you became lovers. You are a very likeable couple and, as a couple, you are very sociable, hospitable, and expansive. You bring out the generous side of one another, and are very nurturing and protective towards each other.

Angelina's Moon Square Brad's Mercury:

Brad needs to guard against the tendency to be critical, unsympathetic, and overly analytical of Angelina's feelings, personal tastes, and habits. Brad may feel that Angelina is overly sensitive to criticism, and refuse to acknowledge responsibility for the problem as well. Petty annoyances, minor disagreements, and bickering can be avoided only if you both learn to listen sympathetically and to communicate clearly with each other.

Angelina's Moon Square Brad's Mars:

The physical and sexual attraction between you is strong, but the tendency to frustrate each other and rouse each other's wrath is equally strong. Although the attraction between you is powerful, you should think carefully before making a long-term commitment, because the tendency to argue and nag each other is an undesirable side to this relationship that both of you will need to contend with. The sexual aspect of your relationship has an almost aggressive quality to it. Some couples who have this astrological influence enjoy wrestling as a form of foreplay! Try not to be too pushy or demanding with each other, as this quickly precipitates arguments and hostile feelings.

Angelina's Mercury Trine Brad's Saturn:

You work together well on practical problems. You help each other refine and clarify your ideas, and help "edit" each other's work. Consequently you make a very effective team in business affairs, important or exacting work, and in solving daily problems.

Brad's Venus Opposition Angelina's Venus:

You appreciate each other and feel a strong attraction to each other. You are able to see what is beautiful in each other, even when your partner is troubled or facing difficulties. Your relationship is likely to be a lasting, fulfilling one.

Brad's Mars Square Angelina's Pluto:

You inspire, inflame, vitalize, and energize one another and you can accomplish much together, but you can easily become overly zealous, even fanatical, in your pursuits. It is also likely that your objectives will sometimes be different and you will feel at cross-purposes with each other. You often end up in power struggles, being very competitive with each other, and trying to manipulate or dominate one another. Angelina, especially, can override or undermine Brad's efforts.

Sexual attraction is very strong, but as with other things, one of you is likely to come on too strong to the other and this may be offensive to your partner. There is a driving, compelling, somewhat impersonal quality to your love-making at times.

Brad's Jupiter Trine Angelina's Neptune:

There is a strong psychic or spiritual connection between you, a sympathetic rapport that enables you both to be especially generous, tolerant, and accepting of one another. Your ideals and beliefs are in harmony. Your faith, optimism, imagination and hopes and plans for the future are stimulated by being together. However, you may simply dream, speculate, or spin fantasies rather than actually do anything concrete. You tend to be enjoyably lazy and indulgent together.

Angelina's Saturn Trine Brad's Neptune:

There is an unspoken sense of working together for spiritual growth or of helping one another unselfishly, a spiritual commitment to one another which is subtle and often not strongly felt by either of you until adversity assails you. Through your relationship, there is a deepening of your faith and a serious pursuit of your dreams and spiritual yearnings.

Brad's Uranus Square Angelina's Neptune:

Bursts of inspiration, creative imagination and insight, or strange psychic experiences makes your relationship lively and unusual. You may do some rather bizarre or unusual experimenting together. Avoidance of responsibility or reality can be a problem at times.
