INTRODUCTION TO ASTROJOURNEY II FOR PARENTS OF A YOUNG ADULT

AstroJourney II uses the science of astrology to provide young adults and late adolescents with an understanding of the nature of cyclical experiences in their lives. Cycles are seen as windows of opportunity with definitive beginnings and endings. Some of these happenings are twists and turns or even milestones we all experience in growing up. Others are particular to the generation into which the soul is born. Each generation has a destiny of its own. In addition, AstroJourney describes cycles that are very personal to the playing out of Alice Angel's unique destiny. As our children grow into adulthood, they learn to bear the burden of responsibility and accountability for their choices. AstroJourney hopes to provide some measure of understanding and objectivity, a map to help navigate the often complex and difficult mazes in life.

Secondly, this report speaks to you, the parents of youth who have not yet experienced the Saturn Return. Astrological adulthood is marked by the first Saturn Return, happening somewhere between the age of 28 ½ to 30. At that time, Saturn, often called "the Great Tester," completes its first full cycle round the natal chart. Saturn, more than any other planetary influence, delineates the cycles of maturation, the capacity to be responsible and to contribute to family, community and/or humanity. Some rural states begin Drivers Ed at age 15, during the first Saturn opposition (transiting Saturn opposing natal Saturn). Ranchers often count on the help of their growing children. Age twenty-one, the legal drinking age in many states and college graduation time for many youth, is marked by a Saturn square (transiting Saturn forming a square aspect to the natal Saturn).

Given below are the positions of the planets at birth and other technical information for the benefit of astrologers and students of astrology.

♁ ♃ ♃

This can be a time of inspiration, the dreams from which spring art, revelation, and sometimes even romance. Oppositions work through relationships. An ideal spiritual encounter is possible. Neptune is our connection to the unseen worlds, the stuff of awe and wonder. If Alice Angel has an artistic bent, this would be a perfect time to take out her palette or pen. But Neptune also can stir up the subconscious and unconscious dimensions of being, creating confusion and illusion. Moreso, in a society where few take off the time, this aspect provides a definite recommendation to meditate and seek meaning from her emotions and dreams. Hopefully, Alice Angel is not in danger of walking with her eyes wide shut! Hopefully, she knows better than to go "where angels fear to tread." Objectivity could be her greatest ally during this short span of time when actions can sometimes be skewed.

1 Jul 2021 (1 Jul 2021 to 2 Jul 2021)

♁ Δ As

A time when looking good becomes more of a priority. Unless other winds blow in the opposite direction, this transit promotes family harmony and stimulates the desire to get together. There is a positive influence boosting self-confidence and general sense of well-being.

6 Jul 2021 (16 Jun 2021 to 21 Jul 2021)

♃ * As

Your daughter is likely to put on a more mature image as a means to get ahead. While it's certainly not the whole picture, chances are that somebody with influence or clout is backing Alice Angel or at least offering some encouraging feedback. Alice Angel may seek to stabilize important relationships.

6 Jul 2021 (5 Jul 2021 to 8 Jul 2021)

♁ Δ ♃

Unless Alice Angel is contending with some strong influence to the contrary, this is the time to "cut through," that is, "go for it, now!" Whatever area of Alice Angel's life needs to be improved, this could be the time she is motivated to make the necessary effort for positive change. Intensified energy and willpower are positively linked and need only an objective upon which to focus. For some, this is simply a time for working out, rock climbing, or adventure (usually something of a physical nature). This is great for anyone involved in the military or in a leadership role. Constructive financial arrangements or benefits are possible.

8 Jul 2021 (6 Jul 2021 to 9 Jul 2021)

♁ * ♃

If Alice Angel asks for your attention now, please do listen! She may be impatient, but she's apt to be in a positive frame of mind. A propitious time to get applications out, complete interviews, set up a Web site, study, share ideas, commute. Timely advice for Alice Angel: do it now!

8 Jul 2021 (6 Jul 2021 to 9 Jul 2021)

♁ ♃ ♃

Make the most of this nice breeze, inclining toward social engagements and/or creative pursuits. What parent has not said, "Have a nice time, but... (be home on time, etc.)." As long as your daughter has her "buts" in order, that is, as long as Alice Angel does not overindulge, and as long as she is considerate of others, this "good time" aspect should be just that!

8 Jul 2021 (6 Jul 2021 to 10 Jul 2021)

♂ * Mc

This influence doesn't last long and could go by unnoticed. Nevertheless, developments happening now tend to be supportive of Alice Angel's career ambitions. Elders and people she needs are listening. A time to be up and doing.

15 Jul 2021 (13 Jul 2021 to 17 Jul 2021)

♂ * ♃

Whether it be her parent, or a school administrator, or the boss, someone important is listening, even impressed; if Alice Angel has done his homework, her efforts begin to pay off now. If she needs to get to work, someone with authority or a serious goal gets her going in the right direction. This is a time to move forward with determination.

25 Jul 2021 (24 Jul 2021 to 27 Jul 2021)

♂ ♀ ♃

Well, Moon is Mom and homelife, so don't be caught off guard if Alice Angel acts a bit testy with you these days! We all have stuff to work out with our Moms. As we get older, we have to claim our lunar patterns for better or for worse. When Mars opposes the Moon we may find our infantile emotional attitudes cropping up quite unexpectedly with whoever touches our "Mom" buttons! Sometimes we feel totally together, but then someone else becomes the mirror of a part of our self we thought no one could see! Since it's mostly subconscious, the better part of wisdom is to determine ahead of time to hang loose and be emotionally detached, but not indifferent. To pass this test often requires compassion.

27 Jul 2021 (25 Jul 2021 to 29 Jul 2021)

♂ ♀ ✖

This is not an easy energy to handle; this short lived influence packs a powerful punch! Especially if Alice Angel has recently started in a new and potentially promising position, her determination may be tested by some form of opposition. If she has felt stuck, this is the time to garner the winds she needs to set her sails in a new direction. If you can somehow strengthen Alice Angel's resolve, your practical encouragement might counterbalance reckless impulses or explosive anger. Even if Alice Angel is right on course, she may have to deal with someone else who is not. This can be a great liberating thrust forward for those who can manage the "gs"!

29 Jul 2021 (15 Jul 2021 to 12 Aug 2021)

♃ ♄ ♀

Alice Angel will be grown and out of the nest before she and his Alice Angel her generation experience this transit. In fact, she may need to understand how to best deal with you as you reevaluate your hopes and dreams and take a hard but a necessary look at your life. If this is the case, stay positive, it is all for the good! This meeting of Saturn and Neptune sometimes describes the times we live through as the planet evolves, and that we may at times feel swept up in! Know that this is through a potent healing cycle, a kind of psychological flushing out of toxic memories! Fear and doubt are the biggest boogie men, more impressive than real. Often the best solution is sacrificing time and energy to a worthy cause, like volunteering for nonprofit organizations or somehow helping those in need. Nevertheless, Alice Angel is somewhat vulnerable to being misled, getting emotionally overly attached and therefore disappointed, or potentially being deceived.

You might be able to assist your daughter by being there, listening, and offering a compassionate yet nakedly honest assessment, if she asks. Stress the positive. If she is attracted to a person, movement, or cause you consider dubious, you're not likely to be able to dissuade her at this time. But you might be able to veer her back to center. Ultimately, Alice Angel is going to have to do her own ghost busting and make her own choices. Both of you will have to be patient for a cycle, with time in which all things will work themselves out, but probably slower than either of you desire. You might remind her and yourself that it's all part of the journey!

9 Aug 2021 (1 Aug 2021 to 17 Aug 2021)

♃ ♄ ♃

Get ready for surprises! While lots of good may be in store for Alice Angel, its likely to come at the last minute and through some unusual circumstance or breakthrough. Everyone in her age group shares this awakening, although each will respond according to natural capacity and willingness to make room for change. She's charged now, thinks the sky's the limit, and may miss the obvious. Your daughter might be more likely to listen if you use the principles of zen. How about advising her "to make haste slowly"? For some, a compulsive drive to break free of restrictions becomes a dominant theme. Others suddenly "see the light" and life is never the same. Some search for answers in faraway places, while still others' lives are profoundly affected by a friend or organization. When the cycle closes, Alice Angel will have passed through many changes.

10 Aug 2021 (10 Aug 2021 to 11 Aug 2021)

♂ ✖ ☉

"Go for it, Alice Angel ! Is your daughter especially assertive now? Chances are that she's exceptionally receptive to positive feedback. Since this positive influence tends to boost self-confidence, it sometimes supplies that extra "umph" necessary to make important decisions or simply to take the next step forward. Generally speaking, this is a favorable time to enjoy sports and active recreations.

17 Aug 2021 (4 Apr 2021 to 23 Sep 2021)

♃ △ ♃

This influence generally brings joy, generosity and an expansive outlook. Travel may well be on Alice Angel's agenda. She'll probably benefit more by having some purpose in mind, like studying abroad, or work that takes him traveling, even if the journey is more meaningful than the destination. While sacrifices might have to be made, opportunities that open up for your daughter during this time are apt to be more significant than meets the eye, and should be seriously considered. Nevertheless, practicality doesn't necessarily come with the package. Whether or not today's dreams materialize depends on our ability to sustain the dreams.

18 Aug 2021 (16 Aug 2021 to 19 Aug 2021)

♂ □ As

Someone somewhere could easily ruffle Alice Angel's feathers now. Patience, a quality of heart, is often in short supply during youth. You, too, may benefit by taking a few long breaths and counting to 10!

18 Aug 2021 (10 Aug 2021 to 26 Aug 2021)

♃ ♄ ☽

Since Jupiter's the good guy of the zodiac, and the Moon represents Mom and homelife, this combinations augurs well for improving, enhancing or expanding the dimensions of Alice Angel's relationship with her mom and/or family. Nevertheless, she's grown now. Have you taught her to rely on her own spiritual guidance or is she overly dependent on your wisdom? Even if Alice Angel's steeped in studies or busy traveling, you're likely to have plenty of contact. A basic sense of well-being makes it difficult at times to be patient or to think about tomorrow. If you find it lacking, perhaps you might lend Alice Angel a measuring rod of common sense and right proportion.

23 Aug 2021 (22 Aug 2021 to 25 Aug 2021)

♂ □ ♀

This may be one of those times that Alice Angel becomes painfully aware of some area of her life calling out for change. Unless inner contention is seen for what it is, (and is not), every little thing turns in the mind, emerging as a battle. If your daughter seems exceptionally frustrated or irate, you might ask her, "Hey, what really upsets you so?" You can avoid a clash of wills by lovingly listening to what she is trying to tell you. There exists the danger of compulsion, arising from unresolved, even unconscious anger and desire. Compassion for self as well as for others elevates the square to the potential of healing and dynamic purposeful action. While any Mars/Pluto aspect advises reasonable precaution to offset potential anger, hazards, and internal or external clashes, this extreme energy can be powerfully constructive for the person that can manage the high intensity. Alice Angel, however, may simply handle a certain edginess without much ado. If anger is an issue she has had to contend with often, consider this a chance for learning greater mastery over self.

24 Aug 2021 (23 Aug 2021 to 26 Aug 2021)

♂ □ ♀

For most of us, ego gets in the way, and discussions accelerate quickly into debates. And most of us regret words said in haste as well as brazen yet foolish actions. Let Alice Angel know that now is the time to practice patience. Patience often discovers her limit under this aspect, and pent up frustration finds expression. This is a time when Alice Angel needs to learn to act rather than react. If Alice Angel finds herself in a positive setting, her forthrightness and candor might be just the ticket. Nevertheless, this transit tends to stimulate debates, disagreements, arguments, often, but not necessarily, with siblings, neighbors, roommates, co-workers or co-students as the case may be. Alice Angel does best when exercising patience and diplomacy. A calm word from you will serve to remind her in case she forgets! Peace.

31 Aug 2021 (29 Aug 2021 to 2 Sep 2021)

♂ * ♂

Keep centered and do it now! Action and purpose work in harmony, much can be accomplished. This is a great time to focus on physical self-improvement, sports, educational competition or military requirements, as the case may be. The ball is in Alice Angel's court!

1 Sep 2021 (30 Aug 2021 to 2 Sep 2021)

♂ □ ♄

When action (Mars) meets resistance or fear (Saturn), some feel stopped in their tracks. Others experience frustration; still others try to control other people to manage their own insecurity. All of these negative stances create internal stress, as much a reaction to circumstances as to fate itself. The way out is to roll up one's sleeves, stay positive, judge wisely and move forward with deliberation. Gains garnered now tend to stabilize. Since Saturn relates to parents (as well as to other authority figures), your daughter might think

you're in the way of her plans. Are you? Try to somehow bring to Alice Angel an awareness of accountability (Saturn), but allow her, unless it truly be against your better judgment, enough room to learn from experience. She could meet the challenge patiently. This is a test of maturity.

3 Sep 2021 (3 Sep 2021 to 4 Sep 2021)

♂ ✖ ♃

A feel good, make it happen astrology! Doors tend to open, so all else being equal, this transit helps push through advancements, new purchases, promotions, awards, winning at whatever the field of choice may be. Timing is right, and positive virtues, such as courage and nobility, are accentuated. This transit is a ticket to good fortune that needs to be cashed!

26 Sep 2021 (24 Sep 2021 to 27 Sep 2021)

♂ □ ☉

Being that it doesn't last for long, this influence may pass by barely noticed except for an extra burst of energy it generally imparts. Perhaps a word to the wise: "Own your problems and keep your cool," suffice for Alice Angel to avoid expressing irritation and damaging anger. But just in case someone or something riles your daughter, remind her that the only one she can control is herself. Her assertive positive actions expressed now are later rewarded when Mars opposes her Sun, in about six months. Non-resolution and exasperation are avoidable when forewarned. If they are not handled, they tend to return again as Mars makes the rounds.

15 Oct 2021 (7 Sep 2021 to 17 Feb 2022)

♃ □ ♃

Now's the time to come to terms with the past; sometimes this involves sorting out psychology related to a parent or important elder. Be patient, caring and encouraging with Alice Angel, chances are she's grappling with a sense of insecurity, regardless of how unfounded her fears appear to be. While the bogey man is out of the closet, so to speak, much healing can occur. Sometimes life's circumstances conspire to allow for at least a partial retreat during this cycle. Let Alice Angel know, "Be at peace, this, too shall pass!" You may feel a sense of loss upon the removal of old relationships or positions in one's life, or crutches no longer needed. At first the change feels scary, but more often than not eventually leads to greater inner strength and the possibility for positive change to take place a bit down the line.
