

# Astrology as an indispensable help in all life areas

SURELY AT SOME POINT IN YOUR LIFE YOU HAVE NOT KNOWN WHAT TO DO,  
ESPECIALLY AT LIFE-TURNING POINTS, WHEN CHOOSING A PROFESSION, PARTNER, JOB,  
RAISING CHILDREN AND SO ON ...

When choosing a path for ourselves or our children, we're always at a turning point when it is difficult to really know which decision will turn out to be right or wrong. Astrology can also help you recognize your own abilities and with key life decisions.

## What is Astrology Guide?

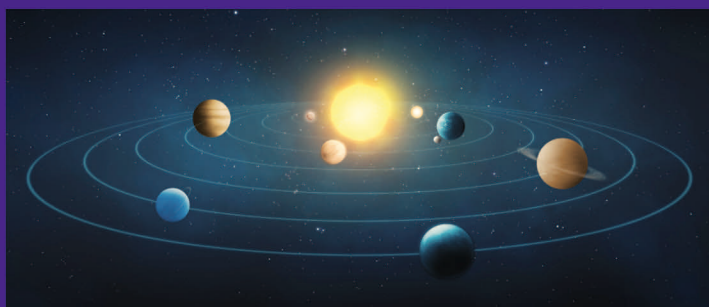

There are many paths and your Personal astrological guide can help you with your key life decisions. What is it? Through the professional content of the most inspiring astrological reports in the world, you can reveal your personality, character, skills and abilities, that enrich and complete you.

Reports guide, encourage and lead you at planning a new path, or continuing already planned one. We make them for you in English in written and audio form.

## Reports for all occasions...

On our website you can order individual reports, which are divided into categories:

- \* General simple and deep reports,
- \* Reports for compatibility and relationship,
- \* Reports for personal and spiritual development,
- \* Transits and forecast reports.

## ... and for everyone

To help you decide which reports are best for you, you can choose from more affordable special occasion packages. Each package contains different customized reports that are most appropriate for specific occasions. The following packages are available to you: for parents, personal success, spiritual development, and compatibility to improve a partnership. Each of the packages includes five to seven reports that are important for the optimal path of the individual.

Reports are made based on name, date, time and place of birth. The basis is so-called birth chart, which shows you the position of the planets, signs and houses at the time of birth and their interconnectedness and cooperation. It reveals the basic personality traits and things that shape your life. You can learn a lot of important information from it. Based on accurate birth data, you can then choose from the aforementioned accurate and deep reports that reveal the best and easiest way to get to know yourself and find your way to personal success.

# Astrological Reports as Best Gift to Yourself

There are a number of famous authors, motivators and Life Coaches who describe how we can become successful and how to overcome obstacles to achieve prosperity. All of them suggest positive thinking and give general advice, which is often not as accurate as astrology...

Golden advice based on your unique birth chart is the best way to connect with the ideals and thinking that will lead you to the personal wealth that will make you happiest and most content in life. Additional material is available in physical form to facilitate the use of the content of the astrological reports.

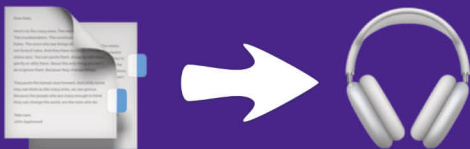

## Astrological Guide

Is to understand astrological symbols in a simple way and explains how the astrology works and the meaning of signs, planets, houses and aspects in astrology in an understandable way.

## Astro Reports in Physical Form

As you read, use different colored markers to mark information that is important to you. Highlighting will help you distinguish between your good and bad qualities and tips to help you find and put them into practice.

## Astro Reports audio reading

Are you short on time? Reports in audio format have proven to be an extremely convenient tool, as you can listen to them anywhere and anytime. Listening to and reading your reports engage all three types of learning and awareness: auditory, reading and visual.

## Astro USB card

We add a USB card to your package, so that your astrological reports will remain in a safe place.

## Natal Chart

It shows the placement and connection of the planets and signs in the astrological houses at your birth. You will get to know them better in the astrology guide. You will find a very detailed and accurate interpretation in individual reports.
