### *John's Sun in Libra and Yoko's Sun in Aquarius:*

The two of you make very agreeable friends. You both value equality and fairness, and you try to live up to these ideals in your personal relationships. Both of you are also uncomfortable with neediness, dependency, and emotionalism in yourselves or in other people, and you tend to keep your relationships on a fairly light, intellectual, companionable level (especially Yoko). Yoko is a bit more detached and independent than John. Sharing ideas and common interests is important to both of you in any friendship.

### *John's Moon in Aquarius and Yoko's Moon in Sagittarius:*

You harmonize because your emotional needs and inner attitudes towards life are quite similar. Both of you are independent and you have a strong desire to experiment and experience the unknown or novel. Progressive and forward-looking, you both adjust easily to change, and in fact, seek it out, for you get restless in staid or relatively unchallenging circumstances.

Neither of you is especially domestic. Involvement in the world at large, or at least in a wide social circle, is important to you. Personal freedom and respect for your individual rights is essential to your happiness, and you can not tolerate being tied down.

Contemporary or unconventional styles and ideas appeal to both of you, and you have little use for "tradition for tradition's sake".

Both of you are idealistic, and John especially tends to be logical and identified with a particular belief system or philosophy. At times you both are (or probably have been) rather dogmatic. There is much camaraderie between you, but if your philosophies differ radically you are unlikely to be such good buddies.

### *John's Sun Opposition Yoko's Uranus:*

If the two of you depend on each other to perform tasks and meet responsibilities (such as in a business relationship), you will find that it is often difficult to coordinate your schedules or focus on practical details. You do work together well on creative and innovative projects, however, when you do get together. You are likely to pop in and out of each other's lives at unexpected times.

### *Yoko's Sun Opposition John's Venus:*

You really enjoy each other's company and have a good time together. You share positive attitudes and feelings openly and you help each other see the brighter, more beautiful side of life.

### *Yoko's Sun Square John's Uranus:*

When the two of you get together, you make a lot of noise, and there is lots of excitement. There is a strong element of unpredictability and spontaneity as well and you enjoy improvising new ideas and playing together. Because there is a loose, spontaneous quality to your relationship, you find that very often you can not depend on each other and it is difficult for the two of you to focus on mundane, tedious, or onerous tasks together. This is a good relationship for exploring new possibilities and interests and for spurring each other to

become more spontaneous, independent, and creative, but a difficult relationship if dependability and commitment to each other is a high priority.

*John's Sun Trine Yoko's Venus:*

Yours is a congenial and enjoyable relationship, for you both appreciate and like one another. You also share a similarity in tastes and enjoyment of leisure activities and pleasures.

*Yoko's Mercury Opposition John's Venus:*

You enjoy discussing the arts, literature, and people. Your conversations are stimulating, although it is not unusual that you reach opposite conclusions. You may find that one of you (typically John) emphasizes the emotional side of a situation, issue, or problem and the other (typically Yoko) is more concerned with the strictly technical or intellectual side.

*John's Mercury Square Yoko's Saturn:*

Yoko is often critical and coldly analytical of John's ideas, and John is likely to feel belittled by Yoko. If both of you are able to offer criticisms and comments with a helpful, positive attitude, then this astrological influence need not be overwhelming, but the tendency to feel blocked and frustrated in your communications is very strong. You must make sincere efforts to listen receptively and sympathetically!

*John's Mercury Trine Yoko's Mercury:*

You solve problems and think about issues with a similar perspective and you are able to communicate clearly to each other. You enjoy talking to each other, sharing ideas, and learning from each other, and you are able to plan, design, and develop ideas jointly in a very successful manner.

*John's Mercury Sextile Yoko's Neptune:*

You enjoy discussing any subject that has an imaginative or mystical quality - art, music, fiction, theatre, or religion. You kindle each other's imagination and ideals. You work together well in the arts and in humanitarian areas. You have a strong intuitive and psychic rapport and often understand each other without need for words.

*Yoko's Venus Square John's Jupiter:*

You enjoy laughing, playing, socializing, and going out together to have a good time. You are expansive and generous with one another, and are inclined to spend unwisely, overeat, or otherwise overindulge when you're together. If you live together or work closely with one another, disagreements regarding finances, budgeting, or investments are likely to arise.

*Yoko's Venus Square John's Saturn:*

Feelings of estrangement, distance, coolness, or lack of appreciation and affection characterize your relationship from time to time, and Yoko in particular feels inhibited or criticized by John. You take your commitment, responsibility, and obligations to one another seriously and you may depend heavily on one another financially or emotionally, but you tend to become too formal and rather joyless if you spend too much time together.

*Yoko's Mars Trine John's Jupiter:*

The two of you form an effective, dynamic team in any venture or endeavor. You work together very well in accomplishing daily tasks, and it is likely that you will also successfully coordinate efforts on joint efforts as well. John provides the vision, the social contacts, and ideas, while Yoko provides energy, decisive will, and enthusiasm.

*Yoko's Mars Trine John's Saturn:*

You can work together very effectively, focusing your energy and attention on the tasks at hand. Yoko feels that John will stand behind Yoko's efforts and be a solid supporter, and John's experience or practicality is often a help to Yoko.
